**NEED FOR SPEED
MOST WANTED
BOOSTER**

The image shows two side-by-side screenshots from the game Need for Speed: Most Wanted (2005). The top screenshot is labeled '4:3 RATIO' and shows a blue sports car in a street view with a narrow field of vision. The bottom screenshot is labeled '16:9 RATIO' and shows the same car and street, but with a significantly wider field of vision, showing more of the surrounding buildings and trees. A yellow banner between the two screenshots reads 'Wider View + No Stretching'. Dashed yellow lines connect the corners of the two screenshots to illustrate the difference in width. Both screenshots include a circular mini-map on the left and a speedometer on the right.
